

General Guidelines For Court Reservations

- Court reservations are available to all Sun City Lincoln Hills residents
- Any court that does not show a club activity may be reserved
- Each resident may make one prime time and one non-prime time reservation in a day
- Reservations open at 8:30 pm every night. A court may be reserved for up to 3 days in advance.
- The night before scheduled play, starting at 8:30 pm, players may reserve any time slot/court that is not already reserved. This means players may play more than twice per day as long as there are available courts. Reservations are still required.
